How to apply for the R350 grant

More Matshediso

If you do not have an income and are between the ages of 18 and 60, you can apply for the Special Coronavirus Disease (COVID-19) Social Relief of Distress (SRD) Grant.

Government has reintroduced the SRD Grant of R350 per month to help qualifying applicants who have no financial support, to survive the continued hardships brought about by the COVID-19 pandemic.

The initial SRD Grant, which was discontinued on 30 April, had a positive impact on successful applicants' lives, says Social Development Minister Lindiwe Zulu.
