Umlimi lomsikati uvuna imphumelelo

Thandeka Moseki waseStella eNyakatfo Nshonalanga ubeka indvuku ebandla embonini yetekulima.

Albert Pule

Liyandza linani labomake baseNingizimu Afrika labasita hulumende ekulweni nebuphuya kanye nekusungula ematfuba emisebenti ngekutsi batimbandza kanye kutekulima.

Eminyakeni leyendlulile, hulumende bekasebentisa Litiko Letekulima, Temahlatsi Netinhlanti (i-DAFF) ekusunguleni tinhlelo lokuhloswe ngato kuhlomisa bomake kutekulima. Lunye lwaletinhlelo nguMklomelo Wasomabhizinisi Lomsikati lebeyatiwa kucala ngekutsi Umklomelo Wemlimi Lomsikati.

Lemiklomelo yekuklomelisa imitamo negligalelo labomake, bomake labancane kanye nabomake labanekukhbateka kulomkhakha macondzana netindzaba tekubakhona kwekudla ekwanele, kudaleka kwematfuba emsebenti, kukhula kutemnotfo kanye nekunciphisa buphuya. Kusukela lwasungulwa nga-1999, luhlelo selube nabomake lababali labangetulu kwe-2000 labatimbandzakanye kulemkromelo.

I-Vuk'uzenzele ihangane namunye walobomake lodlondlobalako kumkhakha yetekulima futsi nguye lophumelele kutfola Umklomelo Wasomabhizinisi Lomsikati.

Thandeka Moseki waseStella eNyakatfo Nshonalanga usitjela kutsi luhambo lwakhe kute kugekutsi labomake labancane kanye nabomake labanekukhbateka kulomkhakha macondzana netindzaba tekubakhona kwekudla ekwanele, kudaleka kwematfuba emsebenti, kukhula kutemnotfo kanye nekunciphisa buphuya. Kusukela lwasungulwa nga-1999, luhlelo selube nabomake lababali labangetulu kwe-2000 labatimbandzakanye kulemkromelo.

Moseki wakhetfwa njengeMkhiciti Losimeme Lophuma Embili emcimbini wesifundza we-Mklomelo Wasomabhizinisi Lomsikati.

Loluhlobo lomklomelo walabo labasacala kulomkhakha labakhombisa tindlela letinsha naletinebuciko tekwenta ncono kukhicitwa kwekulda, kusungulwa kwemattfuba emsebenti kanye nentfutfuko kutemnotfo. Moseki wazusa umklomelo wemali longe-R75 000, indzebe kanye nesithifketi sekumhlonipha.

Emva kwekutsi asafole umklomelo losembili eNyakatfo Nshonalanga wachubeka wayewu-nctisana kuvelonke lapho afike khona futsi waphumelela kumkhakha lofanako wazuza R150 000, sithifiketi kanye nendzebe. Waphindza futsi wazuza nesakhiwonchanti lesilinganiselwa

kulinani le-R500 000. Moseki wacala kuba ngumlimi nga-2011 nge-muva kwekutsenga lipulazi i-Grootverdriet Farm 310 (e-Dirkiesrus) lelingaphandle nje kweStella. Ungumlimi lohlanganisa nalokunye, ufuya imfuyo lenkhulu nalencane aphindze atjale netibhidvo njengesipinashi, emamatmatisi, pelepele loluhlata, emazambane emakhabishi kanye netitselo tesitrasri.

Moseki utsite bekangacabangi kutsi utawuhamba adzimate afike lapha asakhona mayelana nemsebenti wakhe wetekulima ikakhulu ngobe wente emaphutsa lamanengi ekucaleni.

"Ngente emaphutsa lamanengi, kusukela nje ekungatini kutsi nighlyele nini futsi ini kanye nekuhlanganisa emakhemikhali langasiwo kepha nyalo senginemcondvo lokhanyako kutsi ngentani," kwasho yena amamatseka.

Utsengisa imikhicito yakhe etitolo tendzawo, etindzaweni lapho kuholelwa khona, etikolweni kantsi leminte unikela ngayo kutinkhulisa tendzawo. Moseki ucashe bantfu labasifupha kulelipulazi lelingemahektha lange-36. Lelipulazi lifuye timvu letinge-52, emazinyane la-18 kanye netinkhomo letinge-25 unemanti labholve phasi ekunisela nekunatsisa imfuyo.

Nanome enyukela etulu kulomkhakha, Moseki utsi bumatima lahlangabetane nabo bufaka ekhatsi kutfola imali yekucala umsebenti, kutfola bantfu latabatsengisela kanye nekukhoboswa ngulabanye balimi. Leti nguletinye nje tihibe balimi labasikati labahlangabetana nato.

"Letinsayaya tiyangikhutsata futsi ngitawu-zama ngawo onkhe emandla kutsi ngisebente kamatima kute ngiphumelele. Tinsayaya tiyangaka futsi tingenta umuntfu loncongo futsi ngicabanga kutsi kuhle kutsi ngibukane nato nyalo ngisesemusha kulekhundla yetekulima."

Utsite utawusebentisa le-R500 000 kutfutfukisa lelipulazi.

"Lemali lebuya elitikweni yekusita kutfutfukisa sakhiwonchanti futsi nami ngitayisebentisela loko."

KWANDZISA LWATI

Kusukela nje azuza lemiklomelo, Moseki usebenta kamatima ekutfutfukiseni lwati lwakhe. Sewuke wenta tifundzo tocecesho loluphas-telene nekuhuywa kwetinkhukhu waphindze futsi wenta lucecesho lolumayelana nekumaketha lolukhkhelwe litiko.

"Letitifundzo tibe lusito ngobe ngifuna ku-

cali ibhizini yekutsengisa tinkhukhu. Kwenta kwami tifundzo tekumaketha kungisitile futsi ngiyafundza kuto."

IMPHUMELELO

Utsite lenye yetintfo letimente waphumelela kuze kugekutsengisa tinkhukhu. Kusukela kangekutsengisa tinkhukhu. Kwenta kwami tifundzo tekumaketha kungisitile futsi ngiyafundza kuto."

"Babelusito kakhulu, nginetinombolo tabo tonkhe tekubatsintsat batisi futsi ngingabatsinta nome ngabe ngusiphi sikhatsi nangidzinga lusito."

Lusito, banalo ngempela. Ukhumbula kutsi makhelwane wakhe wamsita njani kutsi akhetse emakhemikhali langiwo emazambane. Utsite manje balimi kufanele kutsi bayekete kutsembe-la kakhulu kuhlumende kepha kufanele kutsi basukume batentele ngekwabolo tintfo.

"Ngeke sonkhe silindzele hulumende kutsi asentele tintfo, kufanele kutsi natsi sidlale yetifundzo indzima sati futsi kutsi hulumende kute lasikweleta kona."

Moseki utsite kuleminyaka lesihlanu letako, ufuna kutfumela imikhicito yakhe kumave langephandle, lokuyintfo lelipuphlo lafisa kulisibentela kamatima kuze alifeze.

"Asihambeni etinyatselweni tebaholi betfu labalwele inkhulululeko nyetfu. Selitfuba letfu-ke nyalo kutsi silwele umnotfo wetfu futsi sidale nematfuba emisebenti," kwasho yena akhutsata. Balimi labanenissekelo lefanana neyaMoseki bangasita iNingizimu Afrika kutsi ibukane netinsayaya tebuphuya netekondla sive.

kukhulula nekuhuywa lomunye nalo-munye.

Kungasikudzala nje, iNingizimu Afrika beyibambe Ingungutsela ye-25 Yebunye Bemave ase-Afrika (i-AU) lapho Tindvuna-te-AU Letibukene Netindzaba Tabomake Nebulili lebeyibanjwe kuLizinga Lelise-tulu Lephaneli ye-AU yeSibili lemayelana Nekulingana Ngebulili Nekuhlyonyisa Kwabomake.

Umphumela walemihlangano, lebeyiba-nje ngaphasi kwengcikitsi lets, "Yenta kutsi Kwentekhe Ngekufaka Bomake Ngewetimili Kumkhakha Wetebhizinisi Yetekulima," kwaba simemetelo kanye nesimemo sekutsi kugekutsengisa tinkhukhu. Lamuhla, Umtsetfosisekelo watisa bomake njengetakhamuti letilinganako, letinemalungelo lalinganako kanye netibopho.

TEKUPHEPHA NETEKUVIKELEKA

I-Operation Fielo ineligalelo kutsi kube nekuthula nekuphepha**Bathandwa Mbola**

I-Operation Fielo ihamba yonkhe indzawo igcina kuthula nekuphepha kulelive, iphindze futsi icinisekise kutsi wonkhe umuntfu lohlala eNingizimu Afrika utimbandzanya ngekukhululeka kutemnotfo nakumisbenti yetempakatsi.

Ngemuva kweludlame lolucubuke ngaMabasa, letinye tetimbangela letibonakele kungabkhona kwekubonakala kwemaphoyisa kanye nemcondvo wekungabi nekuthula. I-Operation Fielo yatfulwa ngaMabasa kwaba nekubanjwa kwebantu la-3914 ekupheleni kwenyanga yeNhlaba.

Loku kufaka ekhatsi bantu laba-1 650 labachamuka ngephandle kuleli lababanjwa ngobe bete timphepha kanye netakhamuti taseNingizimu Afrika letabanjwa mayelana nebugebengu lobuhluhaklukene.

Lobugebengu bufaka ekhatsi kushushumbisa bantu, kuphatса tichumachumane, kutfolakala netidzakamiva, kubulala, kuntjontja, kugagdalela kanye nekuphatsa tibhamu letingekho emtsetfweni, kugekeza etindlini nekweba.

Nakatisa betindzaba kungasikudzala mayelana ngalokushwa lokwentiwe, Indvuna Yelikhovisi Lamengameli lebukene Nekuhela, Kucaphela kanye Nekulungisa, Jeff Radebe, lophindze futsi abe ngisihlalo Welikomidi Lelihlanganisa Tiendvuna (i-MC) Letekuhamba, utsite uyakholwa kutsi hulumende uphumelele ekwenteni kutsi kube nekutinta emimangweni lapho kube ne-ludlame khona ngaMabaso.

UMTSETFO NEKUTHULA

"Ngekusebentisa i-Operation Fielo siphelisa ludlame kwimimango yetfu kuze kutsi bantu bakitsi bakhone kuhlala ngekuthula. Senta kutsi kube nekuthula nekuphepha."

"Sifuna kwenta kutsi kube nesimo lesihle kuze kutsi bonkhe bantu labahlala eNingizimu Afrika bakhone kutimbandzakanya ngenkhululeko kutemnotfo nakumisbenti yemphakatsi," kwasho Indvuna Radebe, labehamba nalamaney

I-Operation Fielo yenta iNingizimu Afrika kutsi ibe live leliphephile longahlala kulo ngekwenta kutsi kube nekuthula nekuphepha.

emalunga etindvuna te-IMC.

Letindvuna tifaka ekhatsi Indvuna Yetemaphoyisa Nkosinathi Nhleko, yeTekuftufukiswa Kwetenhlakahle Bathabile Dlamini, Indvuna Yetemphilo Aaron Motsoaledi kanye neNdvuna Yetekubusa Ngekubambisana Netendzabuko Pravin Gordhan.

Lomkhankhaso, loholwa nguMbutfo Wetemaphoyisa aseNingizimu Afrika (i-SAPS) futsi usekelwa ngematiko etifundza kanye nematiko ethrafiki abomasipala kanye nawo onkhe ematiko langemalunga e-IMC njengeMbutfo Wetekuvika Wavelonkhe waseNingizimu Afrika kanye Nelitiko Letasekhaya, sibone kubakhona kuphenya nekutfolwa kwetintfo etindzaweni letinengi kulelive njengaseMayfair, e-Alexandra, eHillbrow kanye nasseSunnyside, emkhatsini waletinye tintfo.

Nakachaza kabanti ngemsebenti walomkhanhoso, Indvuna Radebe utsite tikhungo talomkhankhaso tasungulwa kwaphindze kwangewawa ngetiphatsimandla tekugcina umtsetfo nemitfombolusito yabekwa kutsi itfolakale busuku nemini.

"Tebunhloli tefu tacelwa kutsi tiphenye takhiwo kanye netindzawo letatiwa njengalese-tiwaluwila tigebengu."

Luhlelo Iwesigodzi lwekulawula tinhlekele Iwentiwa kanye nesikhungo setincingo lesibenta busuku nemini.

Mayelana nendzaba yekuhlanganisa bantu bekuchamuka labapelelwe yindzawo yekuhlala ngesikhatsi bahlasewa, i-IMC itsite lenchubo seyisezingeni lelisetulu.

SUKUMA WAKHE

I-Operation Sukuma Sakhe iphindze futsi yentiwa ngenhlosa yekuchubela embili kuuhlanganisa kwebantu bekuchamuka lasebabuyele emimangweni lebabehlala kuyo.

I-Operation Sukuma Sakhe – yinkhulomo yeSizulu lesho kutsi sukuma sakhe – igcugcutela kuuhlanganisa kwemimango nahulumende. Yatfulwa kwekuvala KwaZulu Natal.

Macondzana nebacamuki labapelelwa yindzawo yekuhlala, Indvuna Radebe utsite bekuchamuka kulamanye emave laba-5 645 babuyiselwe emaveni abo ngekutsanda kwabo.

Loku kufaka ekhatsi baseMalawi labangetulu kwe-3 000, labange-682 baseMozambique, laba-1 240 baseZimbabwe kanye nalaba-17 base-Tanzania.

Tinhangano temimango letinengi tiyisolile i-Operation Fielo ngekutsi icondzisa kubantu bekuchamuka ngako-ke tamemetela kutsi ayiphindze futsi icatjangwe kahle.

Nome kunjalo, Indvuna Nhleko ugcizele kutsi lomkhankhaso awukacondzisa kutakhamuti letigcina umtsetfo nome bantu bekuchamuka labagcina umtsetfo.

Lomcondvo uphindze futsi washiwo nayi-Ndvuna Motsoaledi, watsi lemikhankhaso lehlu-kahlukene leyenteka ngekhatsi nangephandle kwe-Operation Fielo leyentiwa litiko isita imi-mango.

"Senta imikhankhaso leketsekile lefana ne-Operation Fielo kulitiko letfu. Kute lokukhetsekile nome lokusha."

Uphindze futsi wawucitsa lombono lotsi bekuchamuka kulamanye emave abalashwa nome abalashwa ngalokufanana etikhungweni temtemphilo tahulumende.

"Sizatfu lesenta kutsi sibe nelinan lelisetulu lebantu labadla sidzambisingculazi (ema-ARV), yingobe selapha nome ngabe ngubani lolapha kulelive asibuki kutsi babuya kuphi... ngaphandle kwetifo letifanana nekuvala kwetinso ngobe tifo letikhetsekile leto."

Ngekubona kwakhe, Indvuna Dlamini utsite Litiko lakhe lifundze tifundvo letinengi kulkhankhaso.

"Kuncongo ngobe ematiko ahulumende asebenitisana ndzawonye," kwasho yena.

Uphawule kutsi esikhatsini lesengcile takhamuti beticela hulumende kutsi angenelele futsi acinise sandla etigebengwini.

"Nyalo ngobe sekukhona lesikwantako, sesiyasolwa," kwasho yena, wangeta ngekutsi hulumende utawutsatsa tinyatselo letifananako kubo bonkhe labaphula umtsetfo, kungaba ngumuntu waseNingizimu Afrika nome bekuchamuka kulamanye emave.

Vimba kutfumela imilayeto yetemacansi ngamakhalekhikhini nebuonga lobentiwa nge-intanethi***Samona Naidu**

Tebuchwepeshe kanye nekukhula kwetinkhundla tekuchumana nge-intanethi njenge-Facebook, i-Mxit, i-WhatsApp, kutfumela ngekushesa imilayeto, ematheksthi, emavidiyo kanye ne-YouTube kuntjintje indlela bantfwana labachumana ngayo, naloko labachumana ngako kulowo nalowo.

Ngekusebentisa letinkhundla bantfwana bachumana nabotsanga babo labasetincenyen ietahtukene talelive kanye nemhlaba. Nanome letinkhundla tivila ematfuba lamasha kubantfwana, kukhona neububi kanye netingoti. Bantu labanengi nyalo sebasebentisa letinkhundla kwenta bugebenyu, kuchaphata bantu labangacapheli. Loluhlobo lwetento tebugebengu lwiati nekutsi bugebengu bekufumela imilayeto yetemacansi ngamakhalekhikhini (i-sexting), buhonga lobentiwa nge-intanethi (i-cyber bullying) kanye nekuhluhmeta nge-intanethi.

Litiko Letebulungiswa kanye Nekucondzisa Kwasimilo libitele ndzawonye bafundzi labange-500 basetikolweni taseFreyistata kuze batewubacaphelia mayelana ne-cyber bullying ne-sexting kanye nemiphumela yetemtsetfo yako. Bafundzi bafundzisiswe mayelana nekuvala kungabkhona kwensi-takalo yetebulungiswa kulabo labatikhundze bentive lobugebengu be-cyber bullying ne-sexting, njengekutfola umyalo wekuvalikele lokhishwa yinkantolo kutsi lowo muntfu lowenta lobo bugebengu angakwenti kuwe.

Umyalo wekuvalikele uyakusita wena labakwente loko kutsi lolokwenta loko akuyekete kukhluhakluketa. Umuntfu lochubekako akwente loko nome sekuphume umyalo wekuvalikele wekuvalikele, angabekwa licala.

Lerato Morutle, labekhona kulomhlanganosikolo, utsite ufundze kutsi i-cyber bullying ne-sexting licala ngako-ke kufanele kutsi ibikwe.

"Njengebefundzi kufanele kutsi sigcile ekusebentini i-intanethi ekwenti lucwaningo lwetifundvo tefu hhayi lokunye," kwasho yena.

Lomunye umfundzi, Tseki Mpologeng, utsite bomakhalekhikhini kufanele kutsi bangasetjentiselwa kutfumela nome ngabe yini lephatsele netemacansi.
